

**AGENDA  
OF THE BOARD OF  
APPEALS OF PLUMBERS  
AND GASFITTERS  
February 2, 2005  
10:30 A.M.**

**NOTE: MEETING TO BE HELD ON THE FIRST FLOOR BOARDROOM**

Approve the minutes of Dec. 1, 2004 meeting

The following people will be present to discuss Marshall Middle School gas explosion and explain why code was not followed as per code. Section 21.04.267

1204.3.1 Rough piping inspection.  
*See Attached*

Brad Crisp, Fire Investigator  
David Sills, Master Plumber on Job site  
Mark D. Kirkland, Journeyman Plumber on Job site  
Douglas E. Kirkland, Owner/Partner Commercial Mechanical  
William E. Valentine, Owner/Partner Commercial Mechanical

Mr. Lee Grandstaff, Plumbing Inspector who was present and making the required inspections when scheduled by the Plumbing Contractor.

The Office of Central Inspection does not know why changes to the gas piping system was done without proper inspections which was required by City Code.

OCI requests the Boards recommendations for any and all violations of 2000 Uniform Plumbing Code requirements or neglect of such code requirements.

Review of the 2003 UPC from last meeting.
